

The Independent Living Services program works with insurance and other resources, and participants pay a share of the cost according to income and expenses. In many cases, the program pays for co-payments or technology not covered by insurance.

Program participants must provide proof of Texas residency and medical documentation of disability, as well as proof of income. Professional evaluations are required.

LOW-TECH:

Handheld magnifiers, large print text, canes or walkers, color coding, automatic lights, and specialized pen or pencil grips.

MID-TECH:
