ARCIL

Who We Are

ARCIL, Inc. is a private non-profit, community based consumer driven corporation whose services are developed, directed and delivered primarily by persons with disabilities. ARCIL serves individuals and their families who have all types of disabilities which affect their ability to live independently. ARCIL works with persons with disabilities to increase their personal self determination and minimize dependence on others.

Eligibility

Persons who have a disability and their family members are eligible to participate in ARCIL activities.

ARCIL, Inc.
is a private non-profit corporation dedicated to the advancement and full participation of persons with disabilities in all aspects of life.

Advocacy

Provide information and assistance for people with disabilities and their families in accessing support systems, and promoting changes that enhance full access to the community.

Information and Referral

Provide comprehensive and up to date information on available resources for people with disabilities and assist individuals by providing referrals for:

- Housing
- Education
- Attendant Assistance Services
- Community Resources for Related Services

Independent Living Skills

Provide opportunities for people with disabilities to gain the skills that empower them to live independently. The following are examples of independent living skills activities:

- Independent Living Skills Training
- (Problem Solving, decision making activities)
- Functional Life Skills Training
- Social & Recreational Activities

Peer Support

Offer people with disabilities the opportunity to interact with peers sharing knowledge, experiences and related issues such as:

- Friendship
- Leisure Recreation
- Family Support

Services for Individuals

- Transition Services for Young Adults
- Home By Choice Relocation Services
- Work Incentive Planning & Assistance (WIPA) Program
- Independent Living Services Program

Services for the Community

- Americans With Disabilities Act
- Disability Awareness Workshops
- ARCIL Graphics, Services & Design
