

ARCIL Independent Living Services Program

Assistive Technology & Training

The Independent Living Services program works with insurance and other resources, and participants pay a share of the cost according to income and expenses. In many cases, the program pays for co-payments or technology not covered by insurance.

Program participants must provide proof of Texas residency and medical documentation of disability, as well as proof of income. Professional evaluations are required.

LOW-TECH:

Handheld magnifiers, large print text, canes or walkers, color coding, automatic lights, and specialized pen or pencil grips.

MID-TECH:

Talking spell-checkers, manual wheelchairs, electronic organizers, closed-caption televisions, amplifiers, text pagers, larger computer monitors, books on tape, remote controls for the user's environment, and mouse or keyboard devices.

HIGH-TECH:

Power wheelchairs or scooters, prosthetic devices, digital hearing aids, van modifications, home barrier removal, computers with voice recognition or magnification software, electronic aids to daily living, voice-activated telephones, and communication devices with voices.
